## NEW PRODUCT INFO: ROCKET FUEL™ Now Available

Mother Earth Minerals is proud to introduce an exciting new Fruit and Berry based “Energy Drink” powdered mix (cellular “Rocket Fuel”) to our many loyal distributors and customers. It has long been an established fact that the healthiest human diet is one that consumes a wide variety of fresh and wholesome fruits and vegetables daily. In fact, the human digestive tract is primarily designed to absorb FRUITS, (including berries) and NUTS first, vegetables second, and meat protein only as a last resort when fruits, nuts, or vegetables are not available, such as in times of winter, famine, or prolonged drought. Fruits and berries are loaded with phyto-nutrients such as

polyphenols, saccharides, and complex amino acid chains that the human body needs on a daily basis. The vast majority of these essential nutrients are found in the juice of the fruit—which is basically the life-blood of the specific fruit.

Rocket Fuel contains the highly concentrated juice of 27 different fruits and berries for an incredibly diverse blend of essential phyto-nutrients. This blend also includes concentrated GOJI BERRY juice, as well as mangosteen extracts that have incredible anti-oxidant activity. We have also included in this amazing product the FULL PROBIOTIC SPECTRUM

All Natural. 100% Organic is the Goal of Mother Earth.

of friendly bacteria such as L. Acidophilus B. Bifidus, and S. Thermophilus. Each rounded scoop of ROCKET FUEL also contains 25 mg. of RESVERATROL—an all-natural supplement produced from the skins of RED GRAPES. According to the Linus Pauling Institute, resveratrol may be an important anti-cancer agent.

## Need help with chronic Muscle and Joint Pain? Ultimate MJ™ may well be the Answer.

As the “baby boom” generation matures and reaches menopause, it becomes harder and harder to rebound from physical exercise and daily work regimens. The reason for this is really quite simple. Usually around age 49, the human

body typically quits producing a very vital substance called Glucosamine. As the body’s glucosamine counts decrease, muscle and joint pain increases. Mother Earth Minerals has produced a very superior product called Ultimate

MJ—blending glucosamine HCL, chondroitin, and MSM with 10 other very potent anti-inflammatory and pain relieving herbs. Since the product was released the results have been truly amazing in helping to relieve chronic pain naturally.

## Aqua-Vivos™ Concentrate—Topical Applications Showing Great Potential In the Medical Field.

A growing number of health care professionals are experimenting with the topical application of Aqua-Vivos™ Concentrate with very potentially promising results. Aqua-Vivos concentrate (directly out of the 8-oz bottle without dilution) has been tested by Brunswick Labs and given an ORAC score of 7,706 per GRAM of product. This means that many “free electrons” are being made available for rapid healing and possibly skin DNA repair and regeneration. Testimonials have reported that applying Aqua-Vivos concentrate on other skin disorders such as eczema and psoriasis has proven to be very helpful as well. It is

clear that Aqua-Vivos concentrate, because of its concentrated and activated polyphenolic structure, is a veritable free electron generator. Increased electron flow to a diseased or ulcerated skin lesions including various skin cancers may well be the reason for the increased healing activity of these extremely stubborn sores. Of course, when products rich in free-electrons are introduced to a compromised joint or tissue, pain relief is a welcome result. We have also tested the product at ABC Labs in Florida and subsequently found that this unique product exhibits extraordinary anti-bacteriological and anti-viral characteristics. Specifically, AquaVivos was tested on MRSA

(Methicillin-Resistant Staphylococcus Aureus) as well as common, generic E-coli bacteria—with very positive results. Of course, it must be clearly stated that AquaVivos is an all-natural vegetable-based nutritional supplement product, and as such has not yet been evaluated by the Food and Drug Administration, and is distributed exclusively as a food supplement product only. However, we at Mother Earth Minerals are actively seeking potential research partners in the medical field to help us determine the viability of this truly unique substance for use in hospitals and clinics around the world as they struggle to keep the destructive and potentially MRSA bacteria at bay.

## Hojari B-Sacra (Sacred) Frankincense—A ‘Godsend’ for Arthritis Sufferers!!

A key chemical constituent of Hojari Boswellia-sacra Frankincense available exclusively from Mother Earth Minerals is a chemical compound named Boswellic Acid. Research conducted by Sabinsa Corp. Found that Boswellic Acid was the “Safest Natural Alternative Remedy” for the treatment of Rheumatoid Arthritis, Osteo-arthritis, Lower Back Pain, and Soft Tissue Rheumatism.

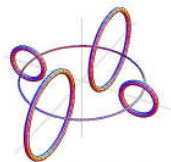

In the Sabinsa study, 97% of the patients that received Boswellic Acid reported relief from: Morning stiffness of joints, Pain, Loss of Grip Strength, and Difficulty in the performance of routine jobs. The study found: “The action of

[Boswellic Acid] is mediated through a vascular phenomenon. It improves blood supply to the joints and restores integrity of vessels obliterated by spasm. It may also alternately open up collaterals to provide adequate blood supply to the joints.” Testimonials are pouring in from using this miracle oil.

ous ‘look-alike’ companies, their products are NOT the original and do not incorporate enhanced energy fields generated by his cutting-edge electromagnetic redox technology. While other mineral supplements may make similar claims, (and even mirror Dr.

Ott's copyrighted book), only Mother Earth Minerals™ are the genuine Original Formula by Dr. Ott. The new phenomenon Ultimatum, as well as all minerals from Boron to Zinc, with original energy fields, can only be purchased from MEM Inc. Call today for current pricing and distributor information.

## 1994 DVD Documentary on the Healing Properties of Ozone Now Available

This amazing video, now reproduced on DVD was banned in the United States when it debuted in 1994, yet it garnered worldwide acclaim as the "Top Documentary" of the year. Learn why all-natural ozone oxygen therapy is perhaps the biggest threat to traditional, Rockefeller-controlled medicine, and why this therapy is so successfully utilized in "alternative" clinics in Mex-

ico, Germany, and Europe for a wide-variety of disease conditions. As you watch this 30-minute gem, perhaps one can better understand exactly how the Photon Sound Beam device distributed by Mother Earth Minerals can be highly effective in so many healing activi-

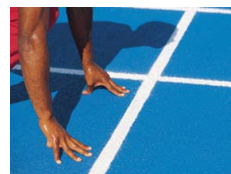

ties. Clearly, the Photon Sound Beam generates oxygen in the form of O-3 (ozone) in vivos (in the human body) as it increases oxygen electrons in the blood and tissue. Oxygen molecules are the single most important elemental nutrient for good health.

**Mother Earth Minerals Inc. (MEM) provides information and nutritional counseling to a growing number of individuals seeking answers to health care puzzles, and was founded by A. True Ott, PhD in December, 1998. All intelligent life on Planet Earth is governed, either for good or evil, by electromagnetic impulses on the cellular level. The great healers throughout recorded history have had one thing in common, they understood how these impulses operate and were able to successfully harness them for the benefit of mankind. MEM is dedicated to the positive exploration and public dissemination of this vital, lost knowledge. Remember, MEM's the WORD!**

## When Life gives you Lemons, it's Time For Lemonade!!

By A. True Ott, PhD

**It is impossible to create any action that does not have value. You may not see it, but that is irrelevant. Live in the trust that when it is appropriate, pieces will fall into place and you will see clearly.** —*Thoughts from the Seat of the Soul—Gary Zukav.*

The Karmic Wheel of the Hindu, the Philosophy of Buddha, the Judeo-Christian Mantra— 'As You Sow, So Shall You Reap' all refer to the universal truth that one's actions (or inactions as the case may be), produces specific consequences. I have only recently begun to understand the inherent truth of this law. There is absolutely no doubt in my mind that all living organisms exhibit not only a complex cellular physical structure, but exude a spe-

cific frequency of energy field called Aura, Chi, Prana, etc. Science is only now beginning to understand that this energy field is inextricably connected to literally everything in the Universe—a Universal Consciousness if you will. When an individual opens his/her mind to objectively analyze and search for all truth, miracles are often the result. Understanding and increased knowledge then begins to flow to the mind and heart of the individual, and mankind is only then blessed with new, and exciting technology. A careful analysis of the lives of all innovators shows that this is true. Thomas Edison succinctly said it best at the end of his incredible life: "I am always learning!" The definition of Energy may well be simply defined as the free-flow of electrons from the Universal Consciousness. The importance of M.E. M. Products such as AquaVivos may be that because of its physical nature, it could well be a powerful source of increased electron flow - known and understood by only a select few quantum physicists. If so, then this all-natural product may hold incredible promise for helping eliminate MRSA outbreaks, as well as providing the basic building blocks for physical healing and increased longevity when taken daily.
